

NEW 2018 BENEFIT UPDATE FOR NORTH CAROLINA CITIZENS ONLY

Dear Mr. [redacted] Jr,

If you are between the ages of 50 and 85, the federal government provides funeral expense benefits that many Seniors living today are not aware that they qualify for. However, these benefits are thousands of dollars below the expense of today's funerals, estimated by the National Funeral Director's Association to be between \$7,000 and \$10,000.

****YOUR FAMILY IS RESPONSIBLE FOR THE UNPAID BALANCE****

Thousands of Seniors nationwide are applying for the "New State-Regulated Life Insurance Program" which will pay up to \$35,000 for these expenses. It is important for you to register for the benefits available to you. To receive information on the plan designed for today's Seniors, return this card in the provided postage paid envelope within 5 days.
