## ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

**The benefit received under the rider may be taxable. Receipt of the accelerated death benefit may adversely affect your eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting the benefit.**

This disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness or Chronic Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium or cost of insurance charge for the rider.

### BENEFIT DESCRIPTION

While the rider is in force and the insured has a terminal illness or is chronically ill, you may elect to receive the accelerated death benefit before the insured dies. A terminal illness is a medical condition that will result in the insured's death within 12 months. Chronically ill means that the insured person is unable to perform at least two activities of daily living (ADL's) without substantial assistance from another person. A physician must certify that the insured has a terminal or chronic illness.

The amount available for the accelerated death benefit is your policy's death benefit. You may receive the accelerated death benefit only once.

For a terminal illness, we will reduce the accelerated death benefit by 6%.

For a chronic illness, we will reduce the accelerated death benefit by the chronic illness confinement factor. The chronic illness confinement factor varies by policy year as shown in the rider. We will also reduce the accelerated death benefit by a \$100 charge and by the amount of any loans and unpaid premiums.

### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

The rider will terminate when the accelerated death benefit is paid.

**NOTE:** If the policy is issued as a graded death benefit, the accelerated death benefit is not available.

The amount available for the accelerated death benefit is your policy's death benefit. You may receive the accelerated death benefit only once.

For a terminal illness, we will reduce the accelerated death benefit by 6%.

For a chronic illness, we will reduce the accelerated death benefit by the chronic illness confinement factor. The chronic illness confinement factor varies by policy year as shown in the rider. We will also reduce the accelerated death benefit by a \$100 charge and by the amount of any loans and unpaid premiums.

### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

The rider will terminate when the accelerated death benefit is paid.

**NOTE:** If the policy is issued as a graded death benefit, the accelerated death benefit is not available.

Any option utilized for extension of benefits must be identified and briefly explained in the "Policy/Rider Description" section of the Comparative Information Form.
7. The dividend option elected by an insured or applicant must be identified and briefly explained in the "Policy/Rider Description" section of the Comparative Information Form. The dividend option elected by the insured or applicant must be employed in completing the disclosure of values.

## Replacement Form

### Notice to Applicant Regarding Replacement of Life Insurance or Annuity Contract

A decision to buy a new policy and discontinue or change an existing policy may be a wise choice or a mistake.

Get all the facts. Make sure you fully understand both the proposed policy and your existing policy or policies. New policies may contain clauses which limit or exclude coverage of certain events in the initial period of the contract, such as the suicide and incontestable clauses which may have already been satisfied in your existing policy or policies.

Your best source for facts on the proposed policy is the proposed company and its agent. The best source on your existing policy is the existing company and its agent.

Hear from both before you make your decision. This way you can be sure your decision is in your best interest.

If you indicate that you intend to replace or change an existing policy, Florida regulations require notification of the company that issued the policy.

Florida regulations give you the right to receive a written Comparative Information Form which summarizes your policy values. Indicate whether or not you wish a Comparative Information Form from the proposed company and your existing insurer or insurers by placing your initials in the appropriate box below.

Yes  No

**Do not take action to terminate your existing policy until your new policy has been issued and you have examined it and found it acceptable.**

I have read this notice and received a copy of it.

## Policy Disclosure Form and Instructions

**Complete one form for each previously issued policy. Any required replacement and sales forms must also be completed. One copy is delivered to the policyowner and one copy maintained by the insurer.**

Any and all information applicable to the transaction shall be fully and completely disclosed on Form D14-1180. If the information requested does not apply to the transaction, the words “not applicable” or “N/A” shall be entered.

### Part A

The information to be disclosed in Part A of Form D14-1180 shall apply to the current, in-force policy for which policy values are being utilized as a source of funding for the purchase of additional insurance contract(s). For purposes of this form, “current death benefit” is defined as the sum of the death benefit payable under the base policy, all life insurance riders covering the principal insured (other than special contingency death riders), paid-up additional insurance and dividends, minus outstanding indebtedness. The term “cash surrender value” is defined as the cash value of the policy or contract net of any outstanding indebtedness and surrender charges, and less any dividend value. The term “paid-up addition value” is defined as the cash value of additional insurance purchased with policy dividends. The term “dividend value” is defined as the total cash value of all policy dividends left on deposit with the company to accumulate at interest.

### Part B

The information to be disclosed in Part B of Form D14-1180 shall apply to the proposed additional insurance contract(s) being funded by policy values in a current, in-force policy. For purposes of this form, “proposed premium amount” is defined as any recurring payment which is planned to be paid or which is required to be paid under the proposed policy.

### Part C

The information to be disclosed in Part C of Form D14-1180 shall apply to the current, in-force policy, and shall indicate the manner in which the policy values are being used to fund the purchase of the proposed policy. Part C is not to be completed if the current policy is totally surrendered. However, in the event of a total surrender of the current policy, Parts A, B, D, and the signature block of this form must still be completed.

When completing Part C of this form, each and every source of funding for the proposed policy must be identified, i.e., whether a policy loan, partial surrender, or dividend withdrawal or any combination thereof is being utilized. If more than one source of funding will be utilized to fund the initial and/or future premiums for the proposed policy, all applicable sections of Part C shall be completed.

For purposes of this form, a “partial surrender” is defined as any amount taken from the value of the current policy which is less than the total cash value available under such policy. The term “mode” is defined as the frequency upon which a policy loan, partial surrender or dividend withdrawal will be taken from the value of the current policy. In the event of a single loan, surrender or withdrawal, the words “one time only” shall be entered in the space provided. The term “loan interest rate” is defined as the rate of interest in effect on the date that this form is completed, as specified in the current policy contract.

### Part D

The information to be disclosed in Part D of Form D14-1180 shall apply to the current, in-force policy and the proposed additional policy, respectively.

### Signatures

In order to evidence that the required disclosure has been made, Form D14-1180 shall be signed and dated by the soliciting agent/broker or by a Corporate Officer, as well as by the policyowner. For identification purposes, the agent/broker or Corporate Officer shall enter his or her Florida License Number or Corporate title respectively, in the space provided.
