**Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,110 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,110. Out-of-Pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.
