*Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2000 deductible. Benefits from high deductible plan F will not begin until out-of-pocket expenses exceed \$2000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the Policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan’s separate foreign travel emergency deductible.

Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY AGENT: I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason (check one):

| <input type="checkbox"/> Fewer benefits and lower premiums. | |

If, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

A photocopy of this authorization will be treated in the same manner as the original. I understand that I or my authorized representative am entitled to a copy of this authorization.

To the best of my knowledge and belief, all of the answers to the questions contained in this application are true and complete and I understand and agree that: (a) the insurance shall not take effect until my Medicare coverage is effective, the application has been accepted and approved by the Company, the first premium has been paid, and the policy has been delivered to the applicant; and (b) oral statements between the agent and myself are not binding on the Company unless accepted by the Company in writing. The undersigned applicant certifies that the applicant has read, or had read to him, the completed application and that he realizes that any false statements or misrepresentations therein material to the risk may result in loss of coverage under the policy to which this application is a part. I understand that any change in my health history prior to delivery of this policy may be used in the underwriting evaluation process.
